

## Standard Operating Procedure (SOP) for Umang Living Franchise Partners

### 1. Franchise Investment & Onboarding

- **Each partner must pay :**

( For City Franchise )

- ₹3,00,000/- as Non-Refundable Franchise Fee.
- ₹1,00,000/- (Refundable deposit) locking period for 2 years.

( For Master Franchise )

- ₹7,50,000/- as Non-Refundable Franchise Fee.
- ₹2,50,000/- (Refundable deposit) locking period for 2 years.

- **A formal agreement will be signed between Umang SCL Pvt. Ltd. (Umang) and the Franchise Partner outlining mutual responsibilities, brand usage rights, and confidentiality terms**

### 2. Infrastructure Requirement

- **The Franchise Partner must maintain a functional office setup in the allocated territory.**
- **This office will act as the local base for branding, onboarding, coordination, and customer redressal if needed.**

### 3. Manpower Requirement

- **The partner must appoint at least one dedicated Coordinator who will be responsible for:**
  - Onboarding Care Managers, Doctors, Nurses, and GDAs into the Umang ElderTech platform.
  - Managing operational queries from service professionals.
  - Ensuring timely updates and coordination with Umang BDM and backend teams.

### 4. Sales & Marketing Responsibilities

- **Franchise Responsibilities**

- Conduct local BTL activities, outreach programs, offline awareness campaigns, and partner tie-ups within their area.
- Act as a representative of Umang during local events or healthcare exhibitions.

- **Umang Responsibilities:**

- Handle all digital promotions, including social media, search engine marketing, and influencer campaigns tailored to the franchise's territory.
- Run media campaigns to create brand visibility and generate digital leads in the assigned area.

## 5. Sales & Revenue

- While sales activities are majorly driven by Umang Corporate Team, the Franchise is expected to provide local support for conversions and onboarding of service providers.
- A dedicated Business Development Manager (BDM) from Umang will be allocated to each franchise territory to coordinate all sales, training, and operational activities.

## 6. Training & Support

- All training programs (for Coordinators, Care Managers, and other service partners) will be conducted and facilitated directly by Umang through both online and offline modes.
- Tech support and troubleshooting related to the Umang Work management system (WMS) and dashboard will be provided by the central technical team of the franchisor.

## 7. Revenue Sharing

- Umang and the Franchise Partner will follow a 50:50 revenue sharing model on the services rendered through the Umang Work management system (WMS) in the assigned area.
- All financials will be transparent and settled monthly with detailed reports on bookings, commissions, and net share.
- Guaranteed First 6 Months Income : Get 2% monthly of your ₹4 lakh franchise fee starting from day one.

## 8. Code of Conduct

- The franchise must uphold the brand integrity of Umang, maintaining the standards, ethics, and service delivery expected by the organization.
- Any deviation from standard protocol, misuse of brand, or negligence in service will be liable for penalty or termination as per agreement.
